Since its inception in 2007, the Drum Corps International-sponsored Marching Arts Safety & Health initiative (MASH) has succeeded in bringing together health care professionals from varied disciplines to provide medical guidance and hands-on assistance to corps members during the DCI Summer Tour.

With an initial focus on injury prevention and treatment, participation in the project has grown from a handful of volunteer contributors to an expansive network of practitioners throughout the United States. The program is now poised to serve an even greater audience of performing arts athletes with development of “best practices” already impacting the marching band activity nationally and internationally with continued research and medical expertise, environmental and other safety areas.

This scholarship will be awarded to a current DCI participating performer that aspires to work as a health, wellness or safety practitioner.

DCI will administrate the scholarship and has established the following guidelines:

1. The recipient must be enrolled full time in a college/university, or other nationally accredited medical, health/wellness/safety degree or licensing program, which can include the physical, emotional or mental health or safety, including physical education, weather/meteorology, kinesiology and other like programs.
2. The recipient must be pursuing a degree or license in a health, wellness or safety compliance field.
3. The recipient must be an active marching member of a unit who will compete in the 2022 DCI Summer Tour.
4. Each nominee must have their corps’ director sign off as an endorser.
5. Scholarship(s) granted will be paid by check written to his/her drum corps OR college/university/school. Scholarship money may be used by the member to pay current educational fees. Any unused scholarship monies, either from the student leaving the education establishment before completing his/her degree or upon the student completing and receiving his/her degree will be returned to DCI.
6. Scholarships granted will not be less than $1000.00 per recipient.
7. The scholarship will be granted for one year only, but recipients may re-apply the next year if he/she remains active with a corps and meets all the other requirements.
8. Selections will be made by a committee consisting of individuals representing various DCI activities, whose decisions will be final.
9. The award will be presented at the 2022 Drum Corps International World Championships, during the Friday evening post-semifinals completion with other award recipients. Recipients should be present to accept the scholarship, and if not in a participating world championships corps, should make arrangements, at their expense, to try and be present. DCI will take care of all stadium entry credentials for the recipient.
10. Send application and additional materials electronically to Scholarships@dci.org with MASH Scholarship in the subject line. Applications must be received by July 1, 2022.
